

How to write your Written Concept for monologue/ duologue Unit 2

The **500 word written concept** will typically include:

- ◆ **evidence of an understanding of the complete play text**

ONE paragraph/approx 175 words detailing the play's plot, themes and your characters role within this

- ◆ **acknowledgement of the context of the chosen monologue duologue or design within the complete play text**

ONE paragraph/approx 175 words discussing the point at which the monologue occurs and why this is important in the text

- ◆ **an explanation of the preparation process and intended interpretation**

ONE paragraph/approx 150 words explaining how you developed your character; GEMS; status; understanding of the character's journey; rehearsal techniques, etc.

Make clear how you intend the audience to interpret your character and why

This will be written under supervised conditions in lesson time, you will have chance to redraft if you need to.
